

Project Two, « Let's fly to New York »

Method : how to describe a picture
Group Work

Match each letter to the right space indicator :

- | | |
|---|---------------------------------|
| A | In the foreground |
| B | In the background |
| C | In the middle |
| D | On the left |
| E | At the top |
| F | At the top right-hand corner |
| G | At the top left-hand corner |
| H | At the bottom |
| I | On the right |
| J | At the bottom right-hand corner |
| K | At the bottom left-hand corner |

Team Work

Pick a mission for your team !

Describe the characters, objects and actions, using space indicators !

Try to imagine what happened before and what will happen next.

Present the document : type, colours, hypothesis on where and when the scene is set and what is generally described (no detail).

Explain the author's message.
